CONSENT OF THE POTENTIAL MENTOR

I agree to be a potential mentor of a PhD student:

As a potential mentor, I undertake: that by the end of the first semester of doctoral studies at the latest, I will carry out all necessary consultations with the doctoral student, recommend elective subjects for all years of doctoral studies, prepare a training plan for him and participate in his further training.

PHD student:

A potential mentor:

This document is submitted to: Archives, PhD student, potential mentor and the dean of the faculty.

Note!

In the event that a potential mentor refuses the role and obligation of a mentor, or a doctoral student refuses to choose a potential mentor, the Rector decides to give the doctoral student another opportunity to propose a new potential mentor.
